Three On-Line Tools to Help You Make it Possible!

★★★★★★★★★★

Benefits of On-Line Systems

Searchable: It is easy to search for the charity(ies) you wish to support

Accurate Math: Just type in your donation per paycheck, and it tallies your total donation for the year. Key in your pledge amount by charity code, then the program does the math.

Clear: You type it in yourself, and review and confirm your intentions. A data entry person doesn't have to interpret your handwriting!

Available: The on-line tools are open 24 hours a day, 7 days a week through December 15. (But please don't wait until the last minute!)

Confidential & Secure: EEX and myPay are secure links directly to your payroll provider. No SSN information is exposed.

Efficient: Reduces administrative time, which maximizes dollars to charities

Printable: Donors may print a copy of their pledge for their records.

You Choose
What's Easiest for You!
★★★★★★★★★★

#1: CFC-EEX *E-Pledge*

CFC-EEX *E-Pledge* offers employees in specific agencies the choice of making a CFC payroll deduction pledge on-line through Employee Express (EEX). Federal agencies participating in EEX CFC E-Pledge System in the Gateway CFC region in 2015 include:

- ★ Department of Interior
- ★ Department of Transportation
- ★ Environmental Protection Agency
- ★ Equal Employment Opportunity Commission
- ★ General Services Administration
- ★ National Archives & Records Administration
- ★ National Labor Relations Board
- ★ Office of Personnel Management
- ★ Railroad Retirement Board
- ★ Social Security Administration

#2: myPay *ePledge*

Most federal employees who have the myPay system for managing their payroll and benefits information can now use myPay for setting up their CFC pledge. This includes employees at these agencies:

- ★ Department of Defense
- ★ Department of Energy
- ★ Health and Human Services
- ★ Veterans Administration
- ★ And some other agencies which use myPay

We encourage donors who use myPay to look up the 5-digit codes for the charities they wish to give to before they start entering their pledge into myPay. You'll have about 20 minutes before the system times out. The "Search Charities" button at **www.GatewayCFC.org** makes this easy, or refer to this *Catalog of Caring*.

Active duty Air Force, Army or Navy personnel will need to enter and confirm the Campaign code for the Gateway region when starting a myPay pledge. The region code is: **0528**. This is filled in automatically for other employees.

EEX and myPay ePledging tools **DO NOT** need any printed paper to complete the pledge.

#3: CFC Nexus: Can be used by Anyone

CFC Nexus is a convenient way to enter, then print your own pledge card, for payroll, credit card, cash or check contributions. Think of CFC Nexus as a convenient way to print your own perfectly legible, mathematically-correct pledge form. CFC Nexus is the only tool that can be used for credit card contributions, and no additional paperwork is needed.

Find CFC Nexus at **www.GatewayCFC.org** go to menu item: pledge on-line. Payroll pledges entered into CFC Nexus **will not work unless a printed, signed copy is sent to your payroll office**.

On-Line tools are not required to make a payroll deduction pledge; you may still use paper forms.

See page 6 for instructions on how to fill out a paper pledge form.

Letter From Your Leadership Chair

We Make It Possible

As we kickoff the 2015 Combined Federal Campaign (CFC), this year's theme is "We Make it Possible." The CFC is the world's largest and most successful annual workplace charity campaign. Your contributions are essential in making the CFC an extremely successful campaign. More than 7,000 federal, military and postal employees in our region pledged $2,445,527 to the 2014 Gateway CFC. The impact of your donations helped thousands of people and greatly improved our communities both locally and across the country.

Through your contributions you can help strengthen the services of your choice of non-profit organizations– ones that help when someone is affected by life changing events such as illness, homelessness, disease or natural disasters. Programs that rescue pets, support medical research, preserve nature, and enhance our community are just a few examples of worthy causes that receive support through the Gateway CFC. There are 3,054 local, national and international charities which applied and were accepted to participate in the CFC listed in the Gateway CFC catalog. On-line you can find all the local organizations accepted across the country, and easily search for your favorites from more than 20,000 charities.

I am proud of our accomplishments and look forward to exceeding this year's goals. I am honored to serve this year as the Chair for the Gateway Leadership Committee and humbled by the efforts of the thousands of volunteers who are the true heroes, "We Make it Possible!"

As we endure tough economic challenges and uncertainty, even small donations help. Join your fellow federal employees and donate to your favorite charities through the CFC. On behalf of the participating charities, thousands of campaign workers, and the CFC staff, thank you for all you do to make CFC possible. The Gateway CFC Leadership Committee extends its genuine appreciation to you and wants you to join us as "We Make It Possible!"

I sincerely thank you for your selfless support and ask that you continue to support your favorite organization in the future,

Charles "Steve" Camerer, Chair, Gateway CFC Leadership Committee and Program Analyst, Headquarters Air Mobility Command, Scott Air Force Base Illinois

Letter from Labor Union's Chair

My name is Gary Bush. I'm a 20-year veteran of the United States Air Force, Union Steward for the National Association of Independent Labor, Local 19, and I work on Scott Air Force Base. I've dealt with many challenges over the years, and several CFC-listed charities have touched my life in many ways – as they probably have touched yours as well. Our family were poor dirt farmers when I was a kid; we chopped and picked cotton to make ends meet. I remember getting handouts of blocks of cheese and tubs of peanut butter. As we got older, there were services that became available to me and my four older brothers, and we were fortunate to be able to use them. The YMCA was a really great place for us. Also, I participated in the scouts.

I was asked why I am serving as a Labor representative to the Combined Federal Campaign. My answer? I like to help people. I have always been a volunteer for some cause or another, and the CFC brings many options to help and do good works together. I have a long list of reasons why I support charities that participate in the CFC. I lost my second oldest brother to cancer and a sister-in-law to breast cancer. Another brother and two other sisters-in-law are currently fighting cancer. A caring hospice program was there for my mother. We lost my dad to COPD; my third oldest brother has diabetes. I came close to dying recently because of a medical problem. There are numerous charities in the CFC that are doing outstanding research on the prevention and cure of different medical issues. They also providing comfort, care, and support to those who suffer from them.

Many more charities that do great work are listed with the CFC, and I'm supportive of a number of them. CFC is a great way to give back. These charities positively affect your life and the lives of people all over the world.

It is never too late help improve the quality of life for people. The CFC gives you a simple way to do that in a very easy, cost-effective way. I hope you will join me and other Labor Union members in giving to the CFC. Thank you,

Your Caring Federal Community – Gateway Region

Gateway Region Expanded – Yet Again!

The U.S. Office of Personnel Management (OPM) establishes and maintains the official list of local campaigns and the geographical area each covers. OPM wants all federal employees to have the opportunity to give through their local Combined Federal Campaign. This year, 16 counties in mid-Missouri were merged into the Gateway region. This includes Columbia and Jefferson City. The Gateway CFC now reaches eastern Missouri, from Kirksville to Poplar Bluff, all across southern Illinois and four counties in Kentucky. If your duty station is one of these 120 counties, you should be enabled to give through the Gateway CFC.

A wonderful part of the CFC is that local charities can apply to participate on an annual basis, so federal employees have many choices of organizations which they can consider supporting. The Gateway Local Federal Coordinating Committee (LFCC) continues to reach out to local charities to invite them to apply to the campaign, and a number of new ones are on this year's list. We invite federal employees to tell their favorite charities about the CFC and invite them to apply. Charity applications for the 2016 campaign will be available shortly after the first of the year. Organizations may refer to CFC web sites at www.opm.gov/cfc to review CFC application requirements. To be put on a list to receive information when the 2016 Gateway CFC application is available, e-mail: lynn.schulte@gsa.gov

An Explanation of Divisions

Gateway Combined Federal Campaign is planned, implemented and celebrated by local federal employees with the management assistance of Mid-West Non-Profit Service Center staff under the direction of the LFCC, in accordance with federal regulations. To assist with organization, management and reporting, the Gateway CFC has five divisions. They are:

Eagle:	U.S. Postal Service
Ft. Leonard Wood:	All federal and military personnel on Ft. Leonard Wood
Garrison:	Civilian Executive branch, Judicial, and Congressional offices
Patriot:	Veteran's Affairs and Department of Defense (except for personnel at Scott Air Force Base)
Scott Air Force Base:	Department of Defense and associate units on Scott Air Force Base

In this fall 2015 catalog, there are 399 local organizations listed, along with 2,660 national/international organizations. In addition, you may consider giving to locally-accepted charities in other regions. Using the charity search tool at **www.GatewayCFC.org** you can use key words to find the programs you care about. How Can We Thank You Enough?

The Gateway CFC is very proud of the fact that its administrative percentage over the past decade has averaged 7.5%, significantly less than the national average. To maintain this efficient use of donor's dollars, and maximize the amount that goes to charities, the Campaign Leadership decided to stop giving out donor appreciation gifts. They hope you can feel good knowing that approximately 93% of your donation will go to the charity you choose. The CFC fundraising model is one of the largest and most efficient mechanisms in the world, and enables you to give effectively. We thank you by maximizing the dollars that go to the charities you choose.

Designating to More than Five Charities? Contributors may enter designations for up to five charities on a form. 11. Release Pledge Information: If the donor checks this box, the CFC will release to the charity(ies) their name and the amount designated to that charity. If this box is not checked, but other release information is filled in, the charity will be advised that the donor gave, and be advised of the grand total pledged by all donors from the Gateway CFC, but not be told the specific amount that the individual gave.

12. Distribution of Copies: Your office's Campaign Coordinator is generally the person who makes sure that the white copy of the payroll deduction form is sent to the payroll processing office. The yellow copy must be sent to the Gateway CFC office. The contributor may retain the pink copy of the pledge form for tax records.

Three on-line tools are available; see the inside front cover of this catalog for details if you'd like to consider making your contribution on-line.

Combined Federal Campaign (CFC)

The mission of the CFC is to support and to promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all

What is the CFC?
The Combined Federal Campaign (CFC) is the only authorized solicitation of Federal employees in their workplaces on behalf of approved charitable organizations.

The CFC was created in 1961 to coordinate the fundraising efforts of various charitable organizations so that the Federal donor would only be solicited once in the workplace and have the opportunity to make charitable contributions through payroll deduction.

Federal employees continue to make the CFC the largest and most successful workplace philanthropic fundraiser in the world. Continuing a long-standing tradition of selfless giving, in 2014, Federal employees raised over $193 million dollars for charitable causes around the world.

Structure of the CFC
The CFC is made up of 141 local campaigns that organize the annual fund raising effort in Federal workplaces in the United States and abroad.

Each local campaign is managed by a Local Federal Coordinating Committee (LFCC), which serves as a "Board of Directors". The LFCC is comprised of Federal employees and representatives of labor unions and is responsible for the oversight of the local CFC. In conformance with CFC regulations and policies, the LFCC makes admission determinations for local charities and selects a Principal Combined Fund Organization (PCFO) to administer the day-to-day operations of the campaign and to serve as its fiscal agent.

The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns (LFCCs and PCFOs).

Public Accountability
OPM is accountable for assuring Federal employees that their designations are honored and distributed to the charitable organizations of their choice. OPM achieves this in several ways:

(1) OPM maintains eligibility and public accountability criteria that all participating CFC charities must meet. For details, see CFC Regulations in 5 CFR Part 950 at www.opm.gov/combined-federal-campaign/reference-materials/.

(2) On an annual basis OPM makes admission decisions for all national and international charity applicants and resolves local charity admission appeals.

(3) OPM sets strict requirements and provides on-going guidance for the activities and conduct of the LFCC and the PCFO. The fiscal integrity of the campaign is verified by OPM compliance audits and the annual review of local campaign audits that PCFOs are required to have completed by an independent CPA.

The CFC Charity List
The Charity List is a paper or web-based display of national, international, and local organizations that have met CFC eligibility requirements. A sample charity listing is shown below with key elements shown in italics. Key elements include: the organization's five-digit CFC code, the IRS Business Master File name shown in parentheses if it is "doing business as" another name, a 25-word statement of purpose (except in abbreviated listings), its administrative and fundraising expense rate (AFR), and its Service Categories (Taxonomy Codes).

Sample Charity Listing

11405 **ABC Charity** *(Alpha-Charity)*
(800) 555-5555 www.abccharity.org
EIN#123456789 ABC Charity attacks the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. *15.8% P,S,K*

Making Informed Giving Decisions
The EIN, AFR, and the Service Categories are included to help you identify organizations that meet your interests and performance standards.

The Employer Identification Number (EIN) is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about an organization from the IRS (877-829-5500). *Please Note:* Some organizations may be covered under an umbrella organization's tax exemption status and EIN.

The Administrative and Fundraising Rate (AFR) represents the percentage of dollars spent on administering the charity. It is calculated as a percentage of the organization's total support and revenue. Donors concerned about an excessive AFR should contact the organization and/or review its IRS Form 990, which is available to the public, for a complete explanation. Each situation is unique. Donors may contact the charity directly and/or industry oversight organizations in order to better understand the financial status, service delivery record, and governance policies of the charity before donating.

The Service Categories (Taxonomy Codes) categorize the types of services that most charitable organizations offer. Charities self-select up to three alpha-codes (shown below) for inclusion in the CFC charity list. Charities that did not select at least one category are assigned "Z" for the "Other" category.

The 26 service categories are derived from the National Taxonomy of Exempt Entities (NTEE) classification system. This system, developed by the National Center for Charitable Statistics, is widely used in the non-profit community.

The following NTEE codes can be used when searching for charities on-line, where you can easily find all of the organizations working on a specific category of services. Gateway CFC details can be found at www.GatewayCFC.org

For additional guidance on selecting charities, visit the CFC website at http://www.opm.gov/cfc/html/qfd.asp.

Can I Give To A Participating CFC Charity That Is Not Listed In My Local CFC Charity List?
Yes. Beginning in 2014, donors may make a pledge to any of the 22,000+ charities that applied for and were approved to participate in their respective CFC regions. This is commonly referred to as Universal Giving. You can search through an online list of all charities available at www.opm.gov/cfc. You can make your pledge by entering the five-digit code on your local campaign region's pledge form. Additionally, you can search for and make a pledge to any charity using electronic giving, where available.

Do I Have To Give Through The CFC?
No. Participation in the CFC is strictly voluntary.

Coercion is forbidden. You have the right to not be improperly influenced regarding your decision to give or not to give through the CFC. Prohibited practices include, but are not limited to: supervisors soliciting the employees they supervise; setting 100% participation goals, providing and using donor lists for purposes other than the routine collection of contributions, establishing personal dollar goals and quotas, and developing and using lists to identify non-contributing employees.

If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed standard envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military or civilian personnel in the Department of Defense (DoD) should contact the LFCC or their commanding officers. If the issue is not resolved satisfactorily, military personnel may also contact the DoD Washington Headquarters Services at (703) 601-0219.

Can I Specify Which Organization Will Receive My Contribution?
Yes, the CFC is a donor-designated campaign. By designating the five-digit code of the charity of your choice, you ensure that your donation goes to meet the needs that you feel are most important. Simply designate the organization(s) of your choice where indicated on your pledge form by entering the five-digit code and the amount you wish to pledge. ***Additional designations may be completed on a second pledge form.*** Except for documented expenses for the operation of the local CFC and unfulfilled pledges, all contributions are distributed as designated.

There is no limit to the amount of contributions an organization may receive through the CFC. There is also no limit to the number of participating charities to which you may designate a contribution. To give to more organizations than can be added to the pledge form, complete additional pledge forms and staple them together. The top pledge form must contain the sum of all pledges.

You cannot designate to an organization that has not been approved for participation in the 2015 CFC. Adding organizations that do not appear in your local CFC Charity List or in the "Universal Giving Search Tool" at www.opm.gov/cfc, is prohibited by CFC regulations and donations to such organizations will be treated as undesignated funds. In addition, pledges made using anything other than the assigned five-digit codes cannot be honored and will be treated as undesignated funds. Undesignated funds are distributed to only those charities that receive donations and in the same proportion as they received designations.

What Are Federations and Independent Organizations?
A federation is a charitable organization that provides common fundraising, administrative, and management services to its member organizations. Member organizations may pay dues or fees to that federation as a service charge. Federations may deduct these dues/fees from CFC pledges prior to disbursement to member charities. Independent organizations are not members of a federation and participate in the CFC on their own.

For additional information on a particular federation and any dues/fees paid by its members, either contact the federation, its members, or review the federation's annual report.

How Do I Designate A Federation, Or Alternatively, One Of Its Members, To Receive My Contribution?
If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding five-digit code number on your pledge form. The federation name will be listed at the top of the list of the federation's member organizations. Contributions designated to a federation will be shared in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to an affiliated federation member organization, please record the affiliate organization's corresponding five-digit code number on your pledge form.

How Do I Designate An Independent Organization To Receive My Contribution?
You may wish to designate to an independent organization that is not affiliated with a federation. Simply enter that organization's five-digit code number on your pledge form.

What If I Choose Not To Specify An Organization Or Federation To Receive My CFC Contribution?
All funds contributed to the CFC that are not designated to a specific organization or federation are considered to be undesignated funds and distributed to all organizations listed in the CFC Charity List in the same proportion as they received designations. Organizations that do not receive designated dollars *cannot* receive any portion of the undesignated distribution.

What Happens if the Organization I Select Goes Out of Business Before All Funds Have Been Disbursed?
The CFC will disburse funds to designated charities until it is notified that the organization is unable to accept any further funds due to closure. The remaining designation to the organization will be disbursed as undesignated funds.

What Is The International General Designation Option?
If you wish to have your contribution distributed proportionately among all international organizations that received designated gifts, you may do so by entering the five-digit code: 11111 on your pledge form.

What Is The Payroll Deduction Option?
Payroll deduction makes it convenient for you to give by spreading your contribution across the entire year. Last year, more than 91% of all CFC funds raised were made through payroll deduction. Payments on payroll deduction pledges begin on the first pay period beginning in January and conclude with the last pay period beginning in December. There is no simpler way for you to make good things happen for so many people than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

Will I Receive A Receipt For My Contribution?
You should keep a copy of your pledge form, as well as your pay statements (if you made a payroll deduction contribution), as a receipt of your pledge. A Federal employee who makes a one-time (cash, check, or money order) contribution must maintain a bank record and a copy of the pledge form to show the name of the organizations contributed to, the date of the contribution, and the amount of the contribution. Local campaigns can be found using the Campaign Locator search feature on the CFC website at www.opm.gov/cfc/Search/Locator.asp You should consult a tax adviser to determine if additional verification of the donation is required by the IRS.

What Are The Costs Of The Campaign?
Local campaign costs vary among the 141 CFC regions. The average amount of expenses related to pledges in the 2013 campaign period (the most recently available) was 12%. These funds are required to print materials, train volunteers, audit contributions, and other administrative duties. All local campaign costs are reviewed and approved by the LFCC governing the local campaign. On average, this cost is low compared with other fundraising campaigns; therefore, donating to a charity through the CFC ensures every dollar you pledge goes a very long way toward helping others.

What Is On-line Pledging or E-Giving?
On-line pledging and E-giving, in general terms, mean that donors have the additional pledging tools of the charity list and pledge form available to them "on-line" or on the internet or intranet. Currently, several local campaigns offer on-line charity lists and secure pledge transactions through the Employee Express (EEX) and myPay HR Systems. Other campaigns have web-based charity lists and downloadable pledge forms. This paperless process is one way CFC is striving to "go green", and reduce administrative costs related to the processing of pledges.

Local campaigns can be found using the Campaign Locater search feature on the CFC website at http://www.opm.gov/cfc/Search/Locator.asp
