“Make It Possible!”***

You Made it Possible: Another Successful, Generous Year!

Wow, despite all the challenges this year, you Made it Possible! Federal, military and postal employees in the Gateway Region stepped up in their tradition of caring and giving. Together, we contributed \$2,416,827 to the 2013 Combined Federal Campaign (CFC). Thank you!

Pledges from 6,768 donors, plus more participants in fundraising events, with energy from about 1,000 volunteers helped make that add up.

Everyone can feel great about the fact that these dollars will benefit 1,693 charitable organizations, as designated by donors. The impact of these donations will help tens of thousands of people and improve communities in many ways – next door and around the planet.

It has been my privilege to serve as Chair of the Gateway CFC Leadership Committee. I am proud of the campaign achievements and honored to have served among so many generous, passionate, dedicated people. Some of those great people are recognized in this report. If you know someone who assisted the campaign, please thank them for giving so generously of their time and talent to help.

On behalf of the Leadership Committee, I applaud you, and thank you for your continuing generosity.

Sincerely,

Kathleen Spirk, Chair, Gateway CFC Leadership Committee and Manager, Learning, Development and Diversity, U.S. Postal Service, Gateway District
